

How to Be an Ignited Woman of Impact

5 Keys to Get Started!

INTRODUCTION

Are you ready to become a powerful communicator and a great leader, who makes a huge impact in both your business or career, and your personal life?

It all starts with the **'5 Keys of Impact.'**

Each key is important, and yet surprisingly, you'll see you rarely think about them.

Each is a facet of how you experience others, and how they experience you.

Here are the **'5 Keys of Impact':**

1. PRESENCE
2. VOICE
3. CLARITY
4. PASSION
5. AUTHENTICITY

You're about to discover where you could be making a much bigger impact in your life using the **'5 Keys of Impact.'**

Let's get started!

How to Be an Ignited Woman of Impact

5 Keys to Get Started!

Key #1 – PRESENCE

Presence is all about how you show up in the world. It's the first impression you make. How would you describe your first impression?

Where could you increase your presence by kicking up your energy?

Where could you take a baby step for your presence be more impactful? What would that look like?

Key #2 – VOICE

Let's take a look at how you speak... For example, are you tentative or bold? Are you clear or vague?

It's important to clarify how you communicate. For example, do you communicate to be right? Or do you seek to understand?

Where could you take a baby step for your Voice to be more impactful?
